The Peace Light is a continuous flame originating in the grotto of Jesus' birth in Bethlehem. For almost 40 years, this flame, symbolic of the the Light of Christ, has been shared around the world during Advent to remind people of Christ's message of love, peace, friendship, and unity among all people of the world from every race, ethnicity, and creed.

Those wishing to take the Peace Light with them must have their own way or safely transporting the flame.
